Subject: The black banners

{{They ask thee about the (final) Hour - when will be its appointed time? Say: The knowledge thereof is with my Lord (alone): None but He can reveal as to when it will occur}}

Peace and Allah's mercy and blessings be upon you

In the name of Allah the Compassionate the Merciful

O' Allah I ask that you protect the family of Al-Karkhi and grant him the satisfaction of his parents

O' Allah I ask you to destine martyrdom for my brother Al-Karkhi in the best way and O' Allah I ask You for success and the satisfaction of parents for me and for my brother Al-Karkhi O' Allah give him success in every way and in all his intentions You are the Beloved the Forgiver the Merciful and O' Allah join me with him in this world and the hereafter along with the martyrs and the Muslims and the master of the Messengers Muhammad Allah's peace and prayers be upon him

On his footsteps for Your sake

And have mercy and forgive the nation of the Muslims and the honorable martyrs and my beloved Usamah grant him a long life and honor him in your paradise and in your world you are the Self-Sufficient thus enrich him in your path You are the Almighty thus strengthen him in your path against the enemies of the religion O' Allah foil their treachery and destroy them and may Allah grant success to every mujahid and Muslim that says there is no God but Allah and Muhammad is the Messenger of Allah and protect them You are the All-Powerful and Most Merciful and my last word O' my brother Al-Karkhi is that we meet, my brother and my teacher I ask Allah that He may strengthen you and give you what you ask as you have given me and Allah's prayers be upon Muhammad

Further

Ours are the intense-eyed maidens in the gardens of bliss and I say brother that you also ask Allah to forgive me because a human being sometimes disobeys however actions are by intentions I am waiting for your answer brother and hope that we meet soon Allah willing

My honorable brother I am very happy about the next stage and I am eager to learn about the arts of religion and fighting, and jurisprudence and I am ready Allah willing however I want to tell you something, my brother will we also meet because by Allah I have loved you in Allah you are a dear brother who is worthy of trust and risk and until now I don't believe that I have been successful in finding the army of truth Usamah's army because by Allah if my soul is to be sacrificed for the sake of the mujahidin then let it be

My brother I want another request which is if I can join the ranks of those who fight with Usamah for by Allah I love him and want to be with him and to execute his orders

And I want to go away from the ignorant people of this world who do not know what awaits them because of their deeds the abominable and atheism and the forbidden those that Allah has forbade

I hope that you understand what I mean Allah willing and if you are in contact with Usamah relay to him a message

That a person has come who will make him victorious Allah willing and will make the ranks of the mujahidin as brothers of the same womb and we will repel the apostate infidels first in the lands of the Muslims and in their own homes and children as they are doing with the Islamic nation and he who laughs first will cry in the end and those Romans the dogs will get a lesson they will never forget to hell and the worst of fate the age of the Caliphate shall return Allah willing we are blessed by Almighty Allah

My brother I am waiting for your reply give my greetings to all who are with you we all shall meet

And Peace and Allah's mercy and blessings be upon you

{{And fight them until there is no persecution, and religion should be only for Allah. But if they cease, then lo! Allah is Seer of what they do}}.
